

# Executive VOICE CORPORATE PROFILE

Run a full-page ad in the Jan/Feb issue of **Control Engineering** and receive an **Executive Voice Corporate Profile** at no cost.

» **First things first...** contact your account manager to confirm your company's participation in the profile program.

» **Easy production...** no need to worry about the layout! Our designer will design your unique profile according to our standardized profile page format and send you an approval proof before publication.

» **Specifications...** all advertisers, regardless of ad size **must supply the following:**

- One head shot\* of executive (minimum size 2 inches wide at 300 dpi resolution, tiff or jpg format)
- One company image of building exterior or interior (minimum size 3 inches wide at 300 dpi resolution, tiff or jpg format)
- One high res logo (300 dpi, eps, tiff or jpg format)

» **Profile text should follow these criteria:**

- **Do not include a headline.** Copy begins with initial drop cap.
- Full page — submit **no more than 350 words** total for the page; this includes the profile body, any captions, and required footer info (email, phone, and url).
- Half page- submit **no more than 225 words** total; this total includes the profile body, any caption, and required footer info (email, phone, and url)

\* If no executive head shot is desired/available, a single product shot can be substituted, however small size and placement of image will be same as that of a head shot.
